SAFE VIEW ROLLSHUTTERS

DESIGN

The stylish appearance of the Safe View Rollshutters harmoniously suits any building architecture, the interior of modern shopping malls, supermarkets and small shops.

24 HOUR VISIBILITY OF SHOP-FRONT WINDOWS

Shop front windows are visible, even when shops are closed, offering the opportunity for potential customers to see goods on display 24/7.

LIGHTWEIGHT AND DURABLE

Compared to grilles made from steel, aluminum rolling grilles are resistant to corrosion, rain and fluctuations in temperature. They are solid and secure, environmentally friendly and lightweight.

CONVENIENCE

Talius Safe View rollshutters roll up with the click of a button making them convenient and easy to use for everyone.
