

Protect Your Business... and Enhance Your Image...

with Attractive Talius Security Solutions!

Property crime is on the rise. Intruders seek fast entry and most break-ins occur through doors and windows. Talius Rollshutters have earned a reputation for protecting businesses from break-ins with the ultimate security solution proven to withstand forced entry.

TALIUS[®]

A GOOD INVESTMENT

“ I can sleep at night knowing that my business is protected from criminals. I would avoid all other security systems and make Talius my first choice. They are well worth it. ”

Dr. Lisa Coveney,
Child's Play Dentistry

“ We tried just about every other security solution to stop the crime. Nothing was more effective than the Talius Rollshutters. Since they've been installed it's put a stop to break-ins. ”

John Llewellyn, Owner,
Celtic Distributors
