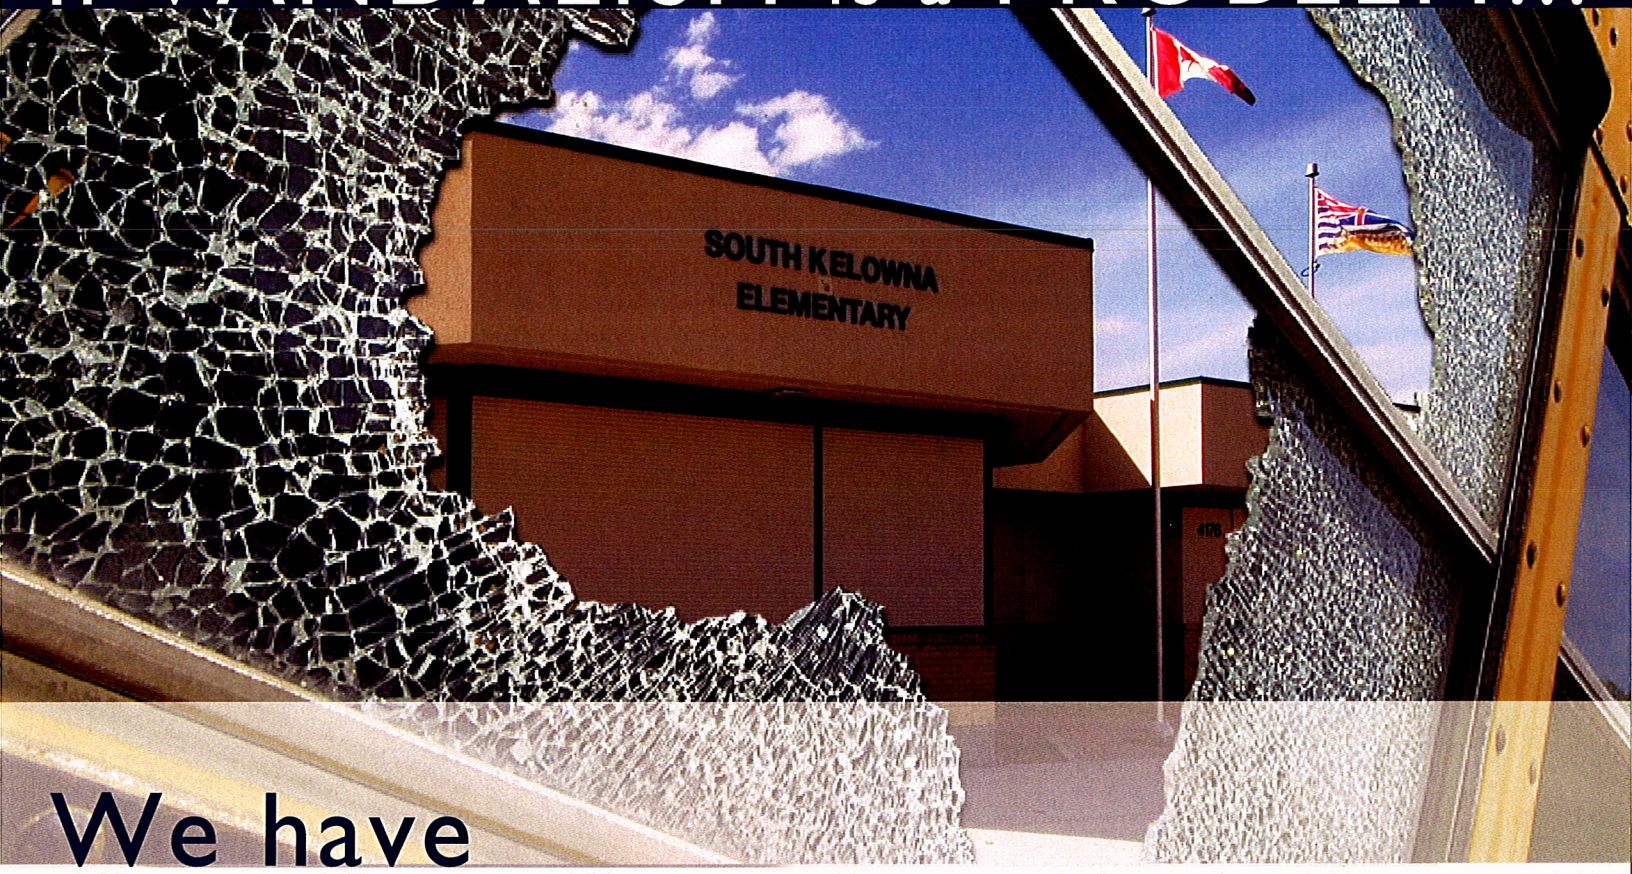
If VANDALISM is a PROBLEM...



We have School Security Solutions that Work!

TALIUS®

A trusted industry leader specializing in school security for over 30 years

High quality products installed on hundreds of schools throughout North America

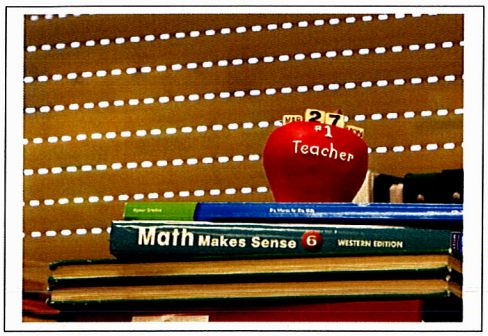
Custom made and engineered to your exact requirements

A One-time Cost-effective Installation Of Rollshutters Will:

- Make your schools safe and secure
- Save you money on glass replacement
- Prevent glass breakage
- Deter theft
- Reduce vandalism
- Improve safety and morale
- Lower energy costs
- Control light and reduce outside noise

Rollshutters by Talius—

—Protection from the turbulence of today's world



- Easy to operate – manually or motorized
- Designed to prevent forced entry
- Tested to resist impact and extreme force
- Eliminate locked down look of security bars

WHAT OUR CLIENTS HAVE TO SAY

"I was impressed with the quality of the rollshutters, and my calculations indicate that by installing Talius Rollshutters, the maintenance and operating costs of our schools have declined. I recommend this product to anyone who has experienced vandalism or wants to prevent it."

Lloyd Williamson, Maintenance Superintendent,
School District #27, Cariboo-Chilcotin, BC

"We now have shutters on 10 of our schools which had experienced extreme glass breakage and losses due to theft. In each case, the problems ceased as soon as Talius Rollshutters were installed."

Larry Bryce, Director of Operations,
School District #40, New Westminster, BC

Talius Vandal Panels—

—For specialty applications

For areas where Rollshutters are not an option due to space restrictions or safety exit regulations, Talius Vandal Panels provide effective protection against vandalism and break-ins without obstructing natural daylight.

The School Security Solutions

that you have been looking for.

Talius is prepared to handle projects of any size with quality and service you can trust. Talius Rollshutters and Vandal Panels are designed, engineered and customized to meet your exact requirements and are backed by a comprehensive warranty.
